

# School Climate Survey for Parents

We are trying to gather input from the parents of the North Andrew School District to better accommodate our educational setting. We ask that you please fill out the Parent School Climate Survey located on our school website at [www.northandrew.org](http://www.northandrew.org) . You can also copy or type the link below into your browser to begin your survey. You may also use the QR code below and scan it with your phone, tablet, or other web-enabled device to begin your survey. Thank you for your participation in this important endeavor. The survey will open on March 13<sup>th</sup> and will close on Friday March 24<sup>th</sup>. We will also have computers available during Parent Teacher Conferences on March 13<sup>th</sup> for your convenience.
